

Government of India
Ministry of New & Renewable Energy

Block-14, C.G.O. Complex,
Lodi Road, New Delhi – 110003.
23rd May 2012.

It is proposed to consider a clarification of the guidelines for selection of grid connected solar power projects under JNNSM Phase-I, Batch II through NVVN regarding 'land holding' as follows:

In cases where land is held in the name of majority stakeholder of the Company and cannot be transferred to their Special Purpose Vehicle (SPV) set up for implementation of the solar project due to a special order or rule of the State / Central Government, the condition of holding land in the name of project implementing company may be waived off if the 'no objection' is also obtained from the concerned State / Central Government; in such cases, transfer of controlling share in the project implementing company will not be allowed for the whole duration of the PPA.

Comments/ Feedback may be sent within a week i.e. by 30th May 2012 to chalapathi.rao@nic.in
