Suryamitra Mobile App

Suryamitra Skill development program is a flagship program under Hon'ble Prime Minister's Make in India initiative. This Programme is a comprehensive skill development program which produces skilled man power to serve solar photovoltaic power plants, SPV Rooftop, act as installer, Operation / repair & maintenance. The duration of Suryamitra program is 3 months/600 hours. Suryamitra Programme is sponsored by Ministry of New and Renewable Energy (MNRE). National Institute of Solar Energy (NISE) is implementing the program across India in all States and UTs with world class training partners. As part of Suryamitra programme, NISE has developed a GPS based mobile Application (known as Suryamitra Mobile APP) which allows the services of trained "Suryamitras" to the various end users of Solar applications across India at their door steps.

This Suryamitra application is available in Google Play Store/App store for Android and iOS in the name of "Suryamitra" which can be downloaded free of cost. The logo of Suryamitra App shall look like as follows:

All the citizens, business establishments, educational institutions, Govt. departments, PSUs, may please avail the services of Suryamitras for solar photovoltaic power plant installations, Operation / repair & maintenance through the Suryamitra application for the quality services. Therefore all are encouraged to download Suryamitra APP from Google Play Store and use it for quality Solar Photovoltaic installation, repair & maintenance at your doorstep.

Your feedback is most welcome at NISE. You could reach us by sending an e-mail to suryamitra.nise@gmail.com.
