

Information to Channel partners (Off Grid Programme)

It was observed that Off Grid Channel partners are sending requests and rating reports for renewal of channel partner under Off Grid Programme. The Off grid programme guidelines were expired on 31st March 2017, and this programme needs extension or further approvals. Till necessary approvals are obtained, there is no possibility of channel partners empanelment under programme. So existing and others who want to become channel partner under off grid programme are hereby informed not to send any rating reports or requests for empanelment. Any requests/rating reports received will be returned back
