Office Memorandum

**Subject: Solar Pumping Programme.**

The undersigned is directed to say that the following decisions were taken under Credit Link Capital Subsidy Scheme implemented through NABARD:

1. Advance Parking of funds with banks has been increased from Rs. 1 crore to Rs. 3 crore based on the justification provided by the concerned bank and at the discretion of NABARD.
2. Solar Pumps higher than 5 HP and upto 10 HP will be eligible for 5 HP subsidy. However, total subsidy will not exceed the subsidy admissible for 5 HP System. This is applicable to both NABARD Scheme and State Programme.
3. Any farmer who has more than one pump in his/her field/s but the total capacity of all the pumps does not exceed 10 HP, he/she will be eligible for subsidy equivalent to 5 HP as mentioned above in No. 2.

This issues with the approval of Secretary, MNRE with immediate effect.
