“SURYAMITRA” SKILL DEVELOPMENT PROGRAMME

“Suryamitra” Skill Development Programme of Ministry of New & Renewable Energy (MNRE) is a flagship programme of Govt. of India. The Programme is implemented by National Institute of Solar Energy (NISE), Gurgaon across the country through training institutions identified by State Nodal Agencies and approved by NISE. This is a residential program and there is no training fee charged from the participants. The certificates are provided by National Council of Vocational Training (NCVT), Govt. of India.

It has come to notice that few unauthorized training institutes are running *“Suryamitra”* program and charging training fees from the participants in the name of MNRE/NISE. This is for information of all that only NISE approved institutes are authorized to organize this program free of cost. Participants are advised to check the approval letter issued by NISE before enrollment. NISE shall not be responsible for any participant enrolling in unauthorized *“Suryamitra”* paid-program.
