

To

All Developers of SHP

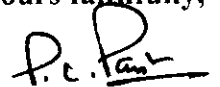

Sir,

On scrutinizing the records in the SHP Division, it has been observed that proposals from 134 developers for seeking Central Financial Assistance were received in the Division prior to the year 2014, you are one of these developers. In view of submission of applications before 2014, your project might be eligible for CFA as per the Administrative Approval issued vide letter no. 14/1/2008-SHP dated 11/12/2009.

2. As per para 7 of Annexure A of the above Administrative Approval, the developers were supposed to apprise the Ministry regarding progress of the project work on regular basis. It is observed that no correspondence has since been taken place after submission of the applications, which may make the project ineligible for getting the Central Financial Assistance. SHP projects usually takes about two to three years for completion from the date of start of the work. Non-submission of progress report and not informing status of the project may debar the project from getting CFA.

3. In view of this, you are requested to intimate the status of your project and your willingness to receive CFA. It is also requested to kindly go through all the paras of Administrative Approval and decide yourself if you are eligible for the CFA.

Yours faithfully,

(Dr. P.C. Pant)
Director (SHP)

Dir (NLC) to kindly upload in MNRE website.
