**Subject: Information regarding systems installed at community places/
private institutions.**

Sir/ Madam,

Ministry of New and Renewable Energy has been sanctioning various projects to install community based systems like street lights and power plants etc. at community places/ private institutions. It is requested to update the information in the enclosed format and also place the same on website of your organization so that information may be known to public as well as to the Government.

Yours faithfully,

(G. Prasad)
