New Delhi, dated 16th Dec., 2013

Office Memorandum

Subject: Relaxation in the provision of routing Bill of Material through SNA in respect of solar power projects (grid connected) being set up by central PSUs.

The undersigned is directed to refer to this Ministry's OM of even number dated 17th Jan. 2013 and 1st July 2013 reg. procedure for routing the Bill of Material by the solar power developers (SPDs) through SNAs for issue of Certificates for Concessional Customs Duty (CCDC) and Excise Duty Exemption (EDEC) for availing duty concession/exemption on the procurement of items/material/components required for initial setting up of solar power generation projects or facility. It has been brought to the notice of this Ministry that forwarding of BoM of the SPDs are being delayed at the level of some SNAs and PSUs have requested that they may be allowed to submit their application/BoM to the MNRE without being routed through SNA as this will save time for issue of certificates. It has also been submitted by a PSU that it has well qualified and trained manpower and their officer are capable enough to certify the BoM.

2. The matter has been examined in this Ministry and considering the facts brought to the notice of this Ministry, it has been decided to relax the condition of routing the Bill of Material/application through the SNA in respect of all Solar Power Projects (grid connected) being set up by the PSUs. Therefore, henceforth the PSUs may now forward their total Bill of Material/application and other documents relating to the setting up of solar power projects (grid connected) to this Ministry directly, and not by routing through the concerned state nodal agency.
