Suryamitra Solar PV Technician Course : Batch -6

As sponsored by MNRE, NISE is conducting Suryamitra Programs and now is prepared to launch 6th batch which is scheduled to start from 3rd of April 2017 with duration of 600 hrs. to complete in 3 months period. The batch size shall be with 30 students.

This program has been designed with a prime objective to develop skilled workforce in the field of Solar Photo Voltaic Systems covering system designing, component procurement, installation & commissioning, operations & maintenance including technical support services with full practical and hands-on training.

The candidates, both i.e. male and female, with 10th pass and ITI in Electrician/Wireman/Electronics, Diploma in Electrical/Electronic/Mechanical with min. 18 yrs. of age are eligible to apply for the course. **The Engineering Graduates and persons with other higher qualification are not eligible to apply.**

After completion of the course, through third party (SCGJ) evaluation, the successful candidates shall be awarded certificates with a title of Certified Suryamitra for Integrated Solar PV technician's course. The skill what they will attain out of this course shall make them employable in the field of solar Energy in both the areas i.e. Solar Components Manufacturing as well as Solar PV projects.

This course is free of any fees or any other kind of charges. The accommodation along with foods etc. shall be provided by NISE within its premises. The candidates shall also be provided the NISE specified uniform.

The last date for submission of application has been fixed as 15th of March 2017. The enclosed format should be used for application.

The female applicants along with SC/ST/OBC shall be given preference in the selection criteria. The short- listing of applications shall be done on the basis of personal interview with the candidates in 4th week of March 2017. The intimation about the schedule for personal interview shall be uploaded in NISE website a couple of days in advance. The list of candidates finalised for the program shall also be uploaded in NISE website.

For registration, the eligible candidates should send their applications through email at training.nise@gmail.com latest by 15/03/17.
