

Expression of Interests are invited from qualified Professionals as Trainers for Technical Assistance Program of MNRE/NISE (Phase 1)

Expression of interest are invited from qualified professionals (as trainers) for Imparting Training to the following categories:

- a) Category A trainers for Training Utility engineers from DISCOMS/SNAs
- b) Category B trainers for Entrepreneurs for implementation of Solar Roof top Program across the country.

About the Training Program

Ministry of New and Renewable Energy (MNRE), Government of India has set an ambitious target, of adding 40 GW Rooftop Solar PV capacity by 2022. It demands for Institutional capacity, human resources and skilled professionals at various levels.

It is proposed to impart training to 10,000 Utility Engineers and 5,000 Entrepreneurs in the country as a part of Ministries initiative on imparting skill. As directed by MNRE, NISE shall be the implementing agency for the same. To cater these training requirements, it is required to create a pool of trainers in this sector whose services can be utilised for the same.

Scope of the Trainers

- **To support the training of the beneficiaries, as and when required (at specified location)**
- **The training assignment (will be on time to time basis) and will be till the completion of the specified program.**
