

4/9/2019-EFM
Ministry of New and Renewable Energy

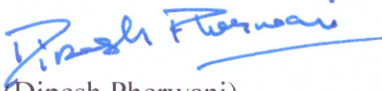

Block No. 14, CGO Complex,
Lodi Road, New Delhi – 110003
Dated: 3 October 2019

CLARIFICATION

Subject: Target of grid connected renewable power capacity by 31 December 2022

The Government of India has set a target of installing 175 GW of grid connected renewable power capacity by 2022. However, at places the date for achieving the stated target is mentioned differently, i.e. by the year 2022 or by the year 2021-22.

2. It is hereby clarified that the target date for achieving the cumulative 175 GW renewable power installed capacity is 31 December 2022.
3. This issues with the approval of Hon'ble Minister of State (IC) for Power, New and Renewable Energy and Skill Development and Entrepreneurship.

(Dipesh Pherwani)
