

**CORRIGENDUM**

**Subject: Amendment in the Guidelines for implementation of a scheme for setting- up of over 5,000 MW Grid-Connected Solar PV Power Projects with Viability Gap Funding (VGF) under Batch-IV of Phase II of the NSM - reg.**

This has reference to the Guidelines for Implementation of a scheme for setting up of over 5000 MW Grid-connected SPV power projects under Batch-IV of NSM Phase-II, issued vide this Ministry's O.M. of No. 32/3/2014-15/GSP dated 14-03-2016. The Guidelines is amended as follows:

Para/ Clause No	Existing Provision	Amended Provision
3.15	<p><u>Commissioning :</u> <b>Clause 3.15.3:</b> In case of Solar parks, if there are delays in land allotment or connectivity by the SPIA, SECI can extend the time for financial closure and commissioning date by up to 3 months, without any financial implications to the SPD/ SECI. In case of non-solar park, MD, SECI will have powers to extend time for scheduled commissioning of the projects up to three months, for which reasons are to be recorded in writing. For any extension beyond the period of 3 months, SECI will approach MNRE with full justification, who will be authorized to decide on further extension up to two months with the approval of Joint Secretary, MNRE and beyond that (i.e. beyond total five months delay) with the approval of Secretary, MNRE.</p>	<p><u>Commissioning :</u> <b>Clause 3.15.3:</b> If there are delays in land allotment or connectivity by the SPIA/Government, SECI can extend the time for financial closure and commissioning date, without any financial implications to the SPD, after recording due justifications for the same.</p> <p>Provided that in case SECI itself is a Solar Park Project Developer or a Solar Power Developer, then the extension for any period under the above proviso shall be given by MNRE.</p>

2. This issues with the approval of Hon'ble Minister (Power & New and Renewable Energy).
