Subject: RFP for Developing a Long Term Vision, Implementation Plan, Road Map and Institutional Framework for implementing One Sun One World One Grid (OSOWOG)

This is regarding RFP document No 322/2/2020-NSM for developing a Long Term Vision, Implementation Plan, Road Map and Institutional Framework for implementing "One Sun One World One Grid". This RFP was uploaded on MNRE website on 26th May 2020. A pre-bid meeting was held on 22nd June 2020 through Video conferencing, and around 30 bidders participated in the meeting. Various queries have been received from interested bidders. Further, the RFP mentioned above was put on hold till finalization of certain administrative arrangements.

Now, it has been decided that International Solar Alliance (ISA) will be the implementing agency for carrying out all the activities of OSOWOG initiative, i.e., the bid process management and all subsequent activities. ISA will issue appropriate corrigendum to the RFP based upon pre-bid queries and invite the final bids.

The details of contact person deputed for the above activities are as below:
