This letter serves for information that the National Institute of Solar Energy (NISE) has blacklisted Learnnet Skills Limited (Formerly IL&FS Skills Development Corporation Limited) from participating in any activities conducted by NISE, with effect from 02/09/2022 till three years i.e. 01/09/2025. This decision has been made due to organization's false reporting of the document in Suryamitra Skill development division for batches conducted in FY 2020-21.

This has been issued with the approval of the competent authority.

Sincerely,
