

## NOTICE

### Information on Setting up of Ultra Mega RE Parks in Gujarat and Rajasthan

This is to inform that two Ultra Mega RE Parks are being developed at the following locations and land would be available to various developers for setting up of Solar, Wind and Wind Hybrid projects at these locations.

1. Gujarat – Khavada : Capacity 25000 MW
2. Rajasthan – Jaisalmer District : Capacity 25000 MW

The above Ultra Mega Parks have received necessary clearances of the respective State Government and the Ministry of Defence. The details of locations of these Parks are available with Shri B.P.Yadav, Joint Secretary, Ministry of New & Renewable Energy.

2. The Ministry of Power has also been requested to strengthen transmission to these locations within a time frame of 24 months for evacuation of power from these Parks.
